School Assessment Policy

We would like to remind you of the school assessment policy:

- Students must sit for each paper strictly according to the date and time stipulated in the examination timetable.
- There will be no make-up papers for students who are absent on examination days.
- Students who are ill or are covered by medical certificates* (MC) on the day of the paper are not allowed to sit for it.
- Students who are on medical leave are required to produce their MC immediately upon their return to school. Their marks will be computed accordingly. No marks will be awarded for the paper if there are no supporting MC.

** Parents who wish for their child to take the papers during the period covered by MC must produce doctor's memo to certify that the child is fit for school. Please refer to Annex 1 in the Term 3 Level Letter for more information on the School Policy on Assessment Matters.*

2. Home-based Learning (HBL)

During the PSLE written examinations from Thursday 24 September to Friday 25 September P5 students will **not** need to report to school but will have HBL. Details of HBL will be shared by 21 September 2026. P5 students will return to school on 28 September.

3. Children's Day 2026

This year's Children's Day celebration falls on Thursday 1 October 2026. On this day, school hours will be from 7.30am to 10.30am.

Please note that regular timetable will be suspended for the celebrations and there will be no recess break. The school has planned a series of activities to celebrate the occasion. Throughout the day, students will enjoy a concert put up by their teachers and also be able to participate in sporting activities for their level.

Kindly ensure that your child has breakfast before coming to school and bring his/her stationery, a water bottle, a storybook and some snacks for Snack Break.

Thank you for your partnership in your child's / ward's education.

Thank you.

Yours faithfully,
